ACCOUNTING

FORMS 1099-MISC AND 1096

UAN has updated the 1099-NEC forms and electronic file for 2021. The IRS has not authorized using UAN for printing these forms to plain paper. As with previous years, you may only print forms 1099-Misc and 1096 on the preprinted red ink laser forms. Instructions are available in the 2021 Year End Procedures.

Reminder: The IRS filing deadline for 1099-MISC & 1096 Forms is February 28, 2022 if filing using the paper form and March 31, 2022 if filing electronically.

FORMS 1099-NEC AND 1096

UAN has updated the 1099-NEC forms and electronic file for 2021. The updated 1099-NEC forms will print 3 per page on the preprinted forms. The IRS has not authorized using UAN for printing these forms to plain paper. As with the previous year, you may only print forms 1099-NEC and 1096 on the preprinted red ink laser forms. Instructions are available in the 2021 Year End Procedures.

Important Note: Only the first line of the address will print on the updated 1099-NEC forms. The Vendor/Payee 'Address Line 2' will no longer print on the 1099-NEC 3-part forms. Line 2 is not widely used by UAN clients so most will be unaffected. You should confirm whether your entity has any vendors with essential 1099-NEC address information in Line 2 and then edit to include that information on Line 1 before printing any 1099-NEC forms.

Reminder: The IRS filing deadline for 1099-NEC & 1096 Forms is January 31, 2022 for both paper and electronic filings.

GENERAL

REMOVAL OF PRIOR YEAR 2014

Following the AOS retention policy of maintaining only seven years of prior year reporting in the application, UAN will automatically remove all reports older than seven years from the application upon closing of the fiscal year 2021.

You will have to checkmark an acknowledgment statement on the *Next Year FO & Details tab* of the Year End Checklist prior to closing 2021. This acknowledgment statement is regarding the removal of 2014 upon closing the year for 2021.

You will be unable to retrieve any reports from 2014 after closing fiscal year 2021.

If some reports are missing from your entity archives (non-UAN application records), make sure to print and/or save them as PDF files before closing 2021. Please refer to the 2021 Year End Procedures page 18 (*of the printout; PDF file page 25*) for more detailed instructions on retrieving prior year reports to Print or Save to PDF.

PAYROLL

FEDERAL AND OHIO TAX TABLES

Ohio and Federal income tax tables for 2022 will be accessible for download from the UAN website as a 'software patch' as soon as the tax tables becomes available. At that time, we will send an email with the download steps. The next UAN version 2022.2 will also include the same tax tables update

FORMS 941 AND 944

The next UAN version 2022.2 (i.e. *not this year-end version 2022.1*) will include the 941 Federal Quarterly Tax Return for the first quarter of 2022.

Please Note: UAN does not produce the rarely used Form 944 Federal Annual Tax Return. Form 944 is designed so the smallest employers will file and pay federal taxes only once a year instead of every quarter. Only entities notified by the IRS in writing will need to file the 2021 annual Form 944 instead of filing quarterly Forms 941. If needed, information for completing the 944 form is available on two federal tax reports within UAN. Refer to the 2021 Year End Procedures for detailed instructions. For more information, please consult with your tax advisor and/or please click or type the following link to reference the IRS website: <http://www.irs.gov>

FORMS W-2 AND W-3

UAN has updated W-2 and W-3 forms and electronic file for 2021. Also, the W-2 forms file option for Ohio (with School) has been updated to not require a BSO number.

Important Note: The Ohio Department of Taxation released a tax alert to advise employers that it has lowered the threshold for the electronic filing of W-2 information for calendar year 2021 information. All employers that issue 10 or more W-2s will be required to upload their W-2 information electronically through the Ohio Business Gateway. To help employers comply with the new, lower threshold, the deadline to submit Forms W-2, along with employer withholding reconciliation returns and school district withholding reconciliation returns, has been extended to March 2, 2022 from January 31, 2022.

Reminder: The IRS filing deadline for W-2 and W-3 Forms is January 31, 2022.

FORMS 1094 AND 1095

UAN has updated forms 1094-B, 1094-C, 1095-B, and 1095-C for 2021.

Reminder: UAN can provide technical assistance for using the 1095 & 1094 area, but *cannot* provide advice on whether the forms are applicable to your entity or on the content to enter. To determine whether your entity is required to file, start by reading pages 68-69 (*of the printout; PDF file pages 75-76*) in the 2021 Year End Procedures.
