## Critical Security Risk

A Fiscal Officer brought a security risk to UAN’s attention. The Fiscal Officer received the below scam e-mail from a non-Ohio.gov e-mail address. This is particularly concerning as the detail (County through e-mail) is accurate for the Fiscal Officer.

This phishing attack is a SCAM. If you receive a similar e-mail **DO NOT click on the link and immediately delete the e-mail.**

**Important:** If you did receive this e-mail and clicked on the link, contact UAN Support.

We do not know if other government entities in Ohio have received a similar e-mail, but this phishing attack is sophisticated enough that we felt it was critical that we inform all UAN clients of this. We have also informed the Chief Information Security Officer for Ohio.
