

# OHIO AUDITOR OF STATE KEITH FABER

**TO:** UAN Users  
**FROM:** UAN Support  
**DATE:** January 10, 2022  
**SUBJECT:** Version 2022.2 Overview

---

All clients should install version 2022.2 as soon as possible. This update will require you to have installed the version 2022.1 year end update, and will be installable regardless of whether or not you have opened Temporary Mode or have already closed 2021. Version 2022.2 includes the US tax table for 2022, as well as additional functionality enhancements to the UAN application. Please read over the additional information below.

## PAYROLL

### US AND OHIO TAX TABLES

The **US tax table for 2022** has been released and updated in the application. *(There was no change to the Ohio tax table for 2022. It is the same tax table that was updated and effective beginning September 1, 2021.)*

### ODJFS WAGE DETAIL REPORT

ODJFS has changed the file format for uploading the **ODJFS Wage Detail** report file. **Do not** create your 4<sup>th</sup> quarter ODJFS Wage Detail report file in UAN until you install this update. The file format change is required to upload the 4<sup>th</sup> quarter ODJFS Wage Detail report file *(which is due to ODJFS by January 31, 2022)*. We have updated the software to include this file format change.
