**SANS (Securing the Human) Online Training Sessions:**

A couple of weeks ago UAN sent all clients an email about SANS online training sessions. Over 400 clients have expressed interest in the courses. We are in the process of registering those clients. If you are interested in participating but have not registered, you still have time to register. To register simply go to the following link and enter the requested information: <https://www.surveymonkey.com/s/3MTMT57>.

After we complete the registration for the first clients we'll work to get all interested clients registered. You will have until August 1, 2014 to register for the course and until October 31, 2014 to watch any sessions that you choose.

**UAN Continuing Education Training:**
