

UAN Accounting-Only clients,

The UAN Version 2011.2 was mailed on April 20<sup>th</sup>. If you have not received the update please contact the UAN Support line at 800-833-8261 or [uan\\_support@auditor.state.oh.us](mailto:uan_support@auditor.state.oh.us). This release is available only on CD and should be installed immediately.

The UAN updates will no longer print the documentation automatically. This change was made to limit the amount of printing for your entity in cases where the application is being reinstalled or for entities with multiple users. For future reference, all UAN software documentation will be copied to UAN Tools/Version Documentation and will be available to view or print. The latest update, Version 2011.2 overview has been attached to this e-mail for your convenience.

Thank you,

UAN Support
